RESPONSE TO RESTRICTION REQUIREMENT

Sir:

This is in response to the Restriction Requirement mailed June 24, 2008 in connection with the above-identified patent application.

Applicant elects the invention of Group I, consisting of claims 1-9, drawn to a method of distributing multimedia content, for continued prosecution on the merits, and without traverse.

Applicant reserves the right to file divisional applications directed to the subject matter covered in non-elected Groups II and III.

Applicant further elects Species B, disclosed in Fig. 4, directed to a method of generating revenue for a company, and without traverse. Claims 18-19 are readable on the elected Species.

Applicant reserves the right to file divisional applications directed to the subject matter covered in non-elected Species A.

Early and favorable consideration of the present application is earnestly solicited.

THIS CORRESPONDENCE IS BEING
SUBMITTED ELECTRONICALLY THROUGH
THE PATENT AND TRADEMARK OFFICE EFS
FILING SYSTEM ON July 24, 2008.

Respectfully submitted,

Joel J. Felber
